## **DANFORTH AREA WEBSITE INFO:**

Our Website was created by the daughter of one of our Area Directors in 1999. At that time there was not even a Mary Kay Company Website! Much of the site is woefully out of date ... the creator went on to a music contract with a major recording company ... the nerve! There have been several "Webmasters" who have worked on the Website since. Our current Webmaster is Zac. He is terrific and incredibly talented, just very short on time. I have had User Names and Passwords on different parts of the Website since the very first day. There is nothing "secret" on our Website, I just think it is important for YOUR privacy and security. Some of the Educational & Event Info is w aaaaaaay out of date ... just use what you want.
